Thank you all for joining us on September 18th to play some golf and support Lemons of Love. We are grateful for your involvement with our charity! *When life gives you lemons...*

We make lemonade!

No one should have to go through chemo alone... Lemons of Love shares joy with cancer patients with our beautiful chemo care packages filled with gifts for those fighting cancer. YOU helped us share some lemonade today. Love you all! - *Jill*

Thank you notes from our recipients...

My mom Katharina was recently diagnosed with colon cancer. She began her chemotherapy six weeks ago. One of the things that stood out to me the most was how dreary and depressing it is to go to her treatments with her. She just received a Lemons of Love care bag. It really brightened her mood. It was just a reminder that people do care and that there can be light in the darkness. Thank you so much for doing this! She just loved it!

I received a box on the 8th from you. Thank you very much - it helped. I read my horoscope for that day and it said, "Unexpected gifts, goodies and helpful resources from others might suddenly come today." ...and your gift did indeed come.
