Cancer Charity and Mazda Constructor Launches Car Wrap Contest

Artists, racers, and car enthusiasts have the opportunity to support Lemons of Love while designing this one-of-a-kind race car.

Daytona Beach, Fla., April 7, 2021 – [Flis Performance](#) and [Lemons of Love](#) have launched a car wrap contest for their 2021 Mazda MX-5 Cup race car giveaway.

Lemons of Love is giving away a fully-built Mazda MX-5 Cup race car for the cost of a \$100 ticket, and all proceeds will benefit Lemons of Love. Care packages will be shared with cancer patients in hospitals on behalf of the giveaway.

Artists, graphic designers, racers, and race enthusiasts can submit designs from April 7 - May 1, 2021 to be entered. The winning design will be featured on the fifth Mazda MX-5 Cup race car from Lemons of Love - only one of its kind. The Mazda MX-5 Cup race car is a race car based on a brand-new, fourth-generation club trim level MX-5 built by Flis Performance.

Submissions need to be original designs and must contain some reference to Lemons of Love. Full contest details and rules can be found on the [contest website](#).

“We are thrilled to be able to add this new element to our Mazda MX-5 Cup race car giveaway. We are excited to see what our community can come up with for our fifth car,” said Jill Swanson, Founder, Lemons of Love.

The winner will have their design featured on the fifth Lemons of Love Mazda MX-5 Cup race car and the Lemons of Love website. Name recognition and a quote from the winner will also be offered.

About Lemons of Love
