

DRAW TO SUPPORT LEMONS OF LOVE

Kids and teens, help us put a hand-drawn picture in each care package we share.

FOR KIDS HAPPY PICTURES

Recommended Ages: 2-12

- Draw a colorful picture with happy images—think flowers, rainbows, hearts, smiles, animals, etc. *(Please no holiday pictures as we don't know what people celebrate.)*
- Just draw! You don't need to use any words. But if you do, please do not use words / phrases like: get better, feel better, sorry, cancer.
- When you finish your picture, use a crayon or pencil to put your first name and age on the back.

FOR TEENS PUNNY PICTURES

Recommended Ages: 13-18

- To make your card, write an upbeat, encouraging pun and draw a simple picture to go with it. *(Please no holiday pictures as we don't know what people celebrate.)*
- Feel free to use one of these or come up with your own. Please remember to keep it positive and do not include holiday or religious-based messages.
- When you finish your picture, use a pen to put your first name on the back.
